

INVITATION
MEMBERS DINNER GATHERING
with Class Holders of the School of Spiritual
Science around Australia.

5:30 for 6pm Saturday 28 May 2022

Yarramundi Cultural Centre
Lady Denman Drive
Yarramundi Reach

It is a little over a year since we held our last Members Dinner as part of the Health and Healing events in March 2021.

The Canberra Branch Committee is organising another evening with a delicious meal to be held in conjunction with First Class holders meeting from around Australia. It will be a great opportunity to catch-up with old friends, hear a little more about what is happening in anthroposophical circles in other states and to meet new people.

The vegetarian dinner based on seasonal organic and biodynamic produce, will include soup, salads and frittata finishing with fruit and baked goodies. Refreshments will also be available. Special dietary requirements will be catered for as much as possible.

Guests are welcome.

We look forward to sharing the evening together.

Canberra Branch Committee

BOOKINGS as soon as possible

latest Monday 23 May

Please advise any dietary requirements.

E: canberraanthropos1@gmail.com

Phone: Riitta 0408 221 385
