

Anthroposophical Society In Australia

2025 AGM AND CONFERENCE SCHEDULE

MAY 16 - 18

[The Michael Centre:](#)

37A Wellington Park Drive,
Warranwood, VIC Australia 3134

*“From where have you come here?” asked the golden king. “Out of the clefts where gold dwells,” replied the green snake. “What is more glorious than gold?” “Light!” “What is more quickening than Light?”
“Conversation!”*

Through the Art of Conversation and with an earnest desire to work together positively, we can meet the challenges we face within our Society and the chaos we face in the world. Our 2025 AGM event will be a participatory experience and focus on member-generated topics and living dialogue.

In this year of the 100th anniversary of Rudolf Steiner's death, let us come together in a mood of gratitude, with the hope that our activity may be an offering of thanks and inspiration for the future.

We invite members to present on their chosen topic. Please state the theme, thought, concern, question or inspired idea you wish to converse/collaborate on by sending us your [max] 250 word proposal for circulation, as soon as possible.

The event will be fully catered with delicious vegetarian food by [Organic Kitchen Caterers](#).

REGISTRATION DETAILS
