About Are Thoresen

Are Thoresen was born in Norway 1952. A doctor of veterinary medicine, he has also studied anthroposophic medicine, homeopathy, acupuncture, osteopathy and agriculture. Since 1981 he has run a private holistic practice in Sandefjord, Norway, for the healing of small animals and horses, as well as people. He has lectured widely, specialising in veterinary acupuncture, and has published dozens of scholarly articles. In 1984 he started to treat cancer patients, both human and animals, and this work has been the focus of much of his recent research.

Are Thoresen is the author of *Demons and Healing* (2018), *Experiences from the Threshold and Beyond* (2019) and *Spiritual Translocation* (2020, all Temple Lodge) and several other books on complementary medicine published in various languages.
