The Stars

**26-27-28 October 2018** @ HARMONY - 11 Beresford St, Mittagong NSW 2575  
Friday 26<sup>th</sup> welcome 6pm | Saturday 27<sup>th</sup> 9am to 8pm | Sunday 28<sup>th</sup> 9am to 2pm

David Bowden has taught astronomy, phenomenological (Goethean) physics, and projective geometry over the last 25 years in Rudolf Steiner high schools around Australia. He has co-written a book with Robert Powell, titled *Astrogeographia*. His current interests lie in researching the world of space and counter space, as it relates to the life forms and to physics - and with how the natural sciences can be transformed in a direction that the spirit of the times is calling for.
