

**Anthroposophical Society in Australia
Canberra Branch and the Sophia Group
for Orana School**

invite you

To a presentation and conversation with **Doctor Lakshmi Prasanna: *The Relationship between Body, Soul and Spirit, with indications for healing, according to Anthroposophical Spiritual Science.***

Understanding and treating Autism, Anxiety, Trauma, ADHD and ADD on Tuesday 21st August, 7pm

Understanding and treating Cancer, Heart Disease, Alzheimer Disease & Dementia on Wednesday 22nd August, 7pm

Lakshmi Prasanna, (MBBS, DCH), was the founding president of the Anthroposophical Medical Society in India and has 25 years of experience as a Paediatrician and School Doctor. Lakshmi and Michael Kokinos have recently completed a book: ***Autism: Meet me who I am: A Contribution Toward an Educational, Sensory and Nutritional Approach to Childhood Autism That Supports Families and Ignites the Child's Deeper Wish to Connect to People and the World.*** Lakshmi now works as a lecturer and consults internationally.

Consultations with Lakshmi are also welcome on Wednesday 22nd.

Please contact Marilyn Lewis, 6288 1495 or E: marilyn.lewis@gmail.com to book an appointment.

The book by Michael & Lakshmi will be available with other titles.

VENUE: The Kurrajong Room, Upper Campus, Orana School, Hickey Court Weston

COST: \$20 to help with full cover of costs for Lakshmi's travel and expenses, \$15, and also concessions available; please ask.
