

Immerse yourself in a five-day retreat designed for natural therapists seeking to deepen their practice. This Retreat offers a space to reflect, connect with like-minded colleagues and discover renewed inspiration for supporting a more conscious approach to illness and healing.

Retreat highlights

- Presentations on a range of topics including the destiny of illness, ayurvedic healing insights, intuition as a diagnostic tool, green hermeticism, phenomenology & the healing power of remedies.
- Immersive spa experiences, sauna & magnesium pool
- Artistic exercises and movement (Eurythmy)
- Morning & evening meditations
- Hands-on therapies
- Delicious organic and biodynamic meals
- Beautiful accommodation in stunning location
