*<https://www.eventbrite.com.au/e/inaugural-annual-erwin-berney-oration-fundraiser-tickets-153582353955>*

*Enquiries: [msamson@email.org.au](mailto:msamson@email.org.au)*

*Lisa is loved in Sydney where her work with Erwin Berney led to her becoming one of the custodians of his work and developing the EduCareDo programme.*

*When asked to hold a talk to the Sydney community as part of the fund raiser her response was immediate and suggested this theme of connecting with our dead in the development of a community of spirit.*

*She will join us from Ireland via a zoom link.*
