## What is lazure? And what is its purpose?

A workshop with Fiona Campbell

Sunday 27 March 11.30am-4pm  
Harmony Centre, Mittagong

As part of the current chapel upgrade, the new altar wall will be lazured, creating a pure experience of color, as though one could 'spiritually pass through' the walls. Artist Fiona Campbell will be undertaking this process.

To give the members of the community a sense of what lazure painting involves and why we use it in chapels and other anthroposophic institutions, Fiona is offering an afternoon practice-based workshop after the service on 27 March.

Come for the *Act of Consecration* at 10am, then stay for a shared lunch and workshop. Fiona will introduce the lazure philosophy and process, then you will have the opportunity to paint a portable wall yourself.
