

ME AND MY SHADOWS

MARCH 2025
First 3 Fridays & Saturdays (2 matinees)

From the masterpiece "FAUST," by Goethe
- the 16-17th Century "European Shakespeare."
It contains vital contemporary themes bringing
theatre as metaphor, and the stage as ritual.
'Me and My Shadows' explores a human's life
who makes lots of mistakes. It reveals the impact
on different levels of consciousness
and mysterious realms of spirit.

A collaborative multimedia community production of:
speech and drama, music, Eurythmy, coloured shadow
and light, puppets and projection design.

Our casting has been consciously inclusive.

We are grateful to have received a grant from the Northern Beaches Council and the Anthroposophical Society in Australia. We have also had support from members of the St John Branch, Kamaroi Steiner School, First Class, The Christian Community, Inala, Lorien Novalis Steiner School and Gleneagon Steiner School has enabled us to bring this original play to audiences with its Mystery knowledge, as revealed by Rudolf Steiner.
