

TERM TWO 2026 COURSES

[Painted Space Studio](#) offers a diverse range of online painting, drawing and mixed media courses and workshops on colour, colour theory, technique, and the human in relationship to Nature and Cosmos. All courses accompanied by meditative exercises for soul/spiritual development or anthroposophic texts.

Recordings available but building community and creative substance by live participation is preferred.

PROGRAM

[Some Fundamentals of Anthroposophy in Light of the Visual Arts](#)

7pm-8.15pm Thursday, 11 June 2026

Behind each sketch, exercise, or lecture by Steiner, lie certain core principles that provide a framework of understanding of Steiner's worldview & spiritual path.

Without this knowledge, it can be difficult to make sense of many of his artistic indications. This visual presentation outlines these core principles. Entry by donation, free to the Schooling.

[Elements and Elementals: Nature's Hidden Helpers](#)
