

# Five Southern Hemisphere Post-Atlantean Cultural Ages

## What role do Southern Hemisphere high cultures play in the evolution of consciousness?

Rudolf Steiner's Seven Post-Atlantic Cultural Ages are located in the Mesopotamian Cradle. There are other cultures in the world that also play a role in guiding humanity. For example the emergence of the Mexican culture. But what of others: Australian, South American, African and Polynesian?

Seven Wednesday evening zoom lectures and face to face attendance

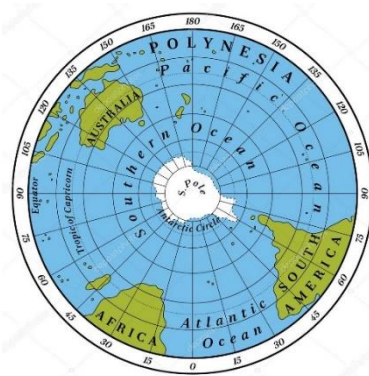

**With Martin Samson**

Rudolf Steiner House, 307 Sussex Street, Sydney

**(Recordings available for those who can't make some the evenings)**

7.00 pm to 8.30 pm

\$50 for all seven lectures (both zoom and live)

Part of the funds will be donated to The Anthroposophical Society in Sydney

Please book through:

**31<sup>st</sup> August: Introduction: what is the role of the southern hemisphere in the evolution of the earth?**

Martin will give geographic, geological, mythological, esoteric and anthroposophical insight into the organism of the earth and the various roles the different regions, oceans and continents play in the evolution of consciousness.

**7<sup>th</sup>, 14<sup>th</sup>, 21<sup>st</sup>, 28<sup>th</sup> September and 5<sup>th</sup> October:**

**Australian Aboriginal; Mayan-Aztec; Inca; Southern African; Polynesian**

Each of these five sessions will present aspects of their culture to highlight the tasks of the southern hemisphere cultures as complementary to those in the seven ages described by Steiner.

**12<sup>th</sup> October: Conclusions:** Spiritual scientific method; development of physiological organs of consciousness; new relationship to the earth and cosmos
