Dear Friends,

You are warmly welcomed to attend the Michael Centre for a celebration of Whitsun evening on Saturday, 4 June from 5pm.

The Whitsun celebration has been lovingly tailored to provide the following inwardly enriching experiences for you and your families to enjoy, as well as participate in.

**4:00pm** Wrapping the salmon and potatoes for the fire

**5:00pm** Gathering around the bonfire in song whilst the potatoes & fish are lowered into the coals.

**5:30pm** Artistic performance & Whitsun sharing in the Movement Room

**6:30pm** A shared meal of whole potatoes and salmon, cooked within the coals of the Whitsun bonfire

**If you wish to partake in the preparation of food, then please arrive by 4pm.** You are encouraged to bring any fresh citrus fruit and herbs, from your own garden (or local store). You are encouraged to bring any fresh citrus fruit and herbs, from your own garden (or local store). The potatoes, will have these fresh ingredients as their wrapping and, along with the foil wrapped salmon, be slowly cooked in the Whitsun coals...

Any salad, sweet or savoury plate you may be inspired to share is also very welcome.

There will be opportunity for you to give a donation toward our gathering, but please be assured that money should in no way be the barrier. You are encouraged to simply attend and share the warmth of your presence with us.

**If you wish to share in the enjoyment of this year's Whitsun celebration, please RSVP via phone or online with an "intention to attend" for catering reasons.**
